We need your "stuff" – don't you need to clean out your cupboards? Dresser drawers? Closet? What are you doing with all of those knick-knacks? You don't need them, but we do – we only made \$200.00 last year 2013 and the year before, we made \$400.00 - Our AUCTION needs your "stuff" – the stuff you don't need. Come on – bring it on in for Gayle & Milt to set it up.

Thank you to all of the Anonymous donors – the people that add a bit more to their club dues. It's appreciated and you know who you are and we

Thank you for it !!

- Always be open to instruction from someone who knows more than you

BITS AND PIECES AND BOWLING POINTS TO PONDER

- The Leads not delivering a bowl should be at least 3 or 4 feet behind the mat on the left side.
- The skip should respond to his/her teams needs
- Use a trolley if lifting your bowls bag could exacerbate a back injury or heart attack
