PRESIDENTS MESSAGE

Thanks to Jim Lee and his work party the club is starting to look shipshape. The benches are getting repaired and Morris Jolly took on the task of sanding and painting our picnic tables. Thanks to all involved.

We have now played a number of times on the North green. It is getting better and the more we use it ther better it will become.

Remember to sign up for Sunday treats, we have gone a number of weeks without them.

Also do not forget the US OPEN raffle tickets. The more we sell the more goodies the club gets, two sets of bowls will be presented to the lucky winners.

_____!

Now Garcetti's in trouble; lawn bowlers are offended

Re "Mayor drops F-bomb in de-
claring big day for L.A." (June 16):

Regarding the use of the F-
word at the Los Angeles Kings'
Stanley Cup celebration, Mayor
Eric Garcetti said, "I got a little
ahead of myself. But you've got to
remember, we didn't win at lawn
bowling, we won in hockey."

We lawn bowlers resent this
belittling of our sport. We con-
sider lawn bowling just as impor-
tant as any other organized sport-
ing activity. Garcetti owes us a
public apology.
